

MATERION IECHYD A DIOGELWCH HEALTH AND SAFETY MATTERS

Jane Lassey

Head of Operations, Wales
Health and Safety Executive

***'Health and Safety of Great Britain
– be part of the solution'***

Jane has been an Inspector with HSE for 19 years - most of which has involved the regulation of Chemicals/Major Hazards sites or across the Manufacturing and Services sectors. Jane has until recently been part of HSE's Buncefield Response Team working with the onshore Petroleum and Chemicals sector to ensure implementation of the Major Incident Investigation Board recommendations as well as working with the Industry to develop 'Principles for Process Safety Leadership'. Jane has also been involved in a review of the HSE's approach to Regulation of the Major Hazards Sector.

She has recently taken up post as Head of Operations Wales, HSE's Field Operations Division.
