

Wednesday 9th February 2011 - 2.00 – 4.00pm

Main Lecture Theatre, Ground Floor, School of Electronic Engineering, Dean Street, Bangor LL57 1UT

'Classification, Labelling and Packaging – CLP – What the changes mean, what needs to be done and when!'

Gareth W Jones
SHE Manager Tata Steel Shotton

THE TALK / WORKSHOP

This talk will cover the Classification, Labelling and Packaging Regulation 1272/2008/EC or 'CLP' in particular what the changes mean to those of us that use chemicals in our day to day operations.

The talk will consider how CLP sits alongside Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and will replace the Chemicals (Hazard Information and Packaging for Supply) Regulations 2009 – CHIP – from 1 June 2015

It will outline the changes in terms of:

- Pictograms eg:

- Labels
- Classifications
- Safety Data Sheets
- Risk Phrases eg:

Risk (R) and Safety (S) R50/53 – very toxic to aquatic organisms	Hazard (H) and Precautionary (P) H400 – very toxic to aquatic life
---	---

And when these changes have / will take place and what we should be doing to make sure these changes are understood and undertaken effectively.

THE SPEAKER

Gareth has over 20 years experience within manufacturing industries 14 of which have included a health and safety role. He is a chartered Member of IOSH and a member of the IIRSM.

Gareth has travelled extensively through Europe auditing Health and Safety performance on numerous plants and sites including work for Tyco International. He is currently employed as SHE manager for Tata Steel in Shotton. Tata Steel being Europe's second largest steel producer with main steelmaking operations in UK and the Netherlands.

He lives in Wrexham and his hobbies included volunteering for Nightingale House Hospice.

This presentation is aimed at everyone but the people who will benefit the most will be COSHH assessors, risk assessors, Health and Safety professionals, Environment professionals.

VENUE

The Main Lecture Theatre is on the ground floor of Bangor University's School of Electronic Engineering Building (*this building may also be referred to as 'Informatics'*), which is located on Dean Street in Bangor LL57 1UT. The Lecture room is accessible via the main entrance and then follow the directional signs on display.

The University is signposted from the A5/55 Expressway. A location map for the School of Electronic Engineering building can be found at: <http://www.eng.bangor.ac.uk/LocationMap.pdf> position 74.

CAR PARKING

Please be aware that you can access the University Dean Street Car Park by entering the following PIN number:3842 at the Barrier. This **PIN number** will only work for this Car Park and only on the afternoon of the Talk and should not be disclosed / displayed to other people.

Coming from Garth Road onto Dean Street, the entrance to the Car park is the second access road (unmarked – enters into University premises) on the left opposite the new NCP car park.

Please ensure you park within designated car parking spaces and display your Permit. The Car Parking Permit is printed at the bottom of this Flyer and must be displayed in the front windscreen. The University operates strict *Parking Regulations* and your vehicle may be towed-away immediately if blocking access or pedestrian routes or otherwise causing a health and safety hazard. Vehicles parked without a valid Permit may be immobilized and a cost is associated with its release.

FURTHER INFORMATION

For further Information on the Group please contact 'Health and Safety Services', Bangor University, Penbre, College Road, Bangor, LL572DG Tel 01248 383847, email: l.fowlie@bangor.ac.uk or gareth.w.jones@bangor.ac.uk or visit the Website at <http://hsgroup.bangor.ac.uk>
