

January 9th 2013 - 2.00pm – 4.00pm

Main Lecture Theatre, Ground Floor, School of Electronic Engineering, Dean Street, Bangor LL57 1UT

“Fire Safety – When a Fire Compliance Officer Calls”

Paul Jenkinson, Legislative Fire Safety Development Manager,
North Wales Fire and Rescue Service

THE TALK

The aim of the North Wales Fire and Rescue Service is to protect communities before emergencies occur and to provide a professional, efficient and effective fire and rescue service for all who live, work and travel throughout North Wales.

Part of the role is to perform all the duties and responsibilities of a Fire Authority in accordance with appropriate legislation and regulations, in particular the Fire and Rescue Services Act 2004, the Regulatory Reform Order (Fire Safety) Order 2005 - which came into force on 1 October 2006, and the 1995 Combination Scheme.

The talk will be about:

- The role of the Fire and Rescue Service in fire safety enforcement and associated legislation
- The approach to enforcement inspections

and will also include:

- Some examples of prosecutions
- A case study of how things badly planned can go ‘terribly wrong’

Further Information:

<http://www.nwales-fireservice.org.uk/>

THE SPEAKER

Paul Jenkinson is head of legislative fire safety for the North Wales Fire and Rescue Service. He has over 19 years experience within the fire service having been involved in fire safety since 2001 as an inspecting officer and fire safety development manager.

In his role as Head of Legislative Fire Safety Paul;

- Is involved in all aspects of prevention action and emergency planning. (Commercial and Community).
- Is very ‘hands on’ in all aspect of fire and rescue on a day to day basis, such as:
 - Responding to fire incidents
 - Conducting emergency rescue for road traffic accidents
 - Responding to all manner of emergencies
- Undertakes fire investigations

More recently (at an event very much in our minds) he was the Silver Commander for the St Asaph floods, and is still actively involved in the follow on ‘mop up’ activities.

We look forward to seeing you at what will be a very informative talk!

VENUE

The Main Lecture Theatre is on the ground floor of Bangor University's School of Electronic Engineering Building (*this building may also be referred to as 'Informatics'*), which is located on Dean Street in Bangor LL57 1UT. The Lecture room is accessible via the main entrance and then follow the directional signs on display.

The University is signposted from the A5/55 Expressway. A location map for the School of Electronic Engineering building can be found at: <http://www.bangor.ac.uk/tour/LocationMap.pdf> position 74.

CAR PARKING

Please be aware that you can access the University Dean Street Car Park by entering the following PIN number: **9937** at the Barrier. This **PIN number** will only work for this Car Park and only on the afternoon of the Talk and should not be disclosed / displayed to other people.

Coming from Garth Road onto Dean Street, the entrance to the Car park is the second access road (unmarked – enters into University premises) on the left opposite the new NCP car park.

Please ensure you park within designated car parking spaces and display your Permit. The Car Parking Permit is printed at the bottom of this Flyer and must be displayed in the front windscreen. The University operates strict *Parking Regulations* and your vehicle may be towed-away immediately if blocking access or pedestrian routes or otherwise causing a health and safety hazard. Vehicles parked without a valid Permit may be immobilized and a cost is associated with its release.

FURTHER INFORMATION

For further Information on the Group please contact 'Health and Safety Services', Bangor University, Penbre, College Road, Bangor, LL572DG Tel 01248 383847, email: l.fowlie@bangor.ac.uk or gareth.w.jones@bangor.ac.uk or visit the Website at <http://hsgroup.bangor.ac.uk>
