

January 8th 2014 - 2.00pm – 4.00pm

Main Lecture Theatre, Ground Floor, School of Electronic Engineering, Dean Street, Bangor LL57 1UT

“Electrical Safety in Industry”

Jackie Wooldridge

Chair of IOSH Food & Drink Group, Head of Health & Safety for 2 Sisters Food Group.

THE TALK

An excellent opportunity to obtain an update on electrical safety in industry, with special emphasis on the food & drink sector. This presentation, supported by an IOSH Electrical Safety DVD, will be of particular interest to anybody either directly carrying out, or managing people whose work could expose them to electrical risk.

The presentation will cover:

- electrical hazards
- accident statistics
- case studies
- electrical safety rules
- risk assessment
- hardware solutions
- procedural solutions
- staff competence
- and authorisation.

THE SPEAKER

Jackie Wooldridge (MSc, CMIOSH) started her health & safety career with the Health & Safety Executive (HSE) working in both their manufacturing and construction divisions for 6 years.

Latterly she has worked as a Health & Safety Manager in the food industry for 15 years in both operational and advisory roles. She is currently Head of Health & Safety for 2 Sisters Food Group and is

responsible for the delivery of the health, safety management systems across approximately 50 sites in the UK & Ireland. Part of her remit is to implement good standards of electrical safety and influence electrical workers in the company to convince them that they are not immortal!

Though electrically challenged she is passionate about electrical safety having investigated a number of accidents including a very serious accident in her own organisation

WHAT'S IN IT FOR YOU?

To learn from a leading Food & Drink IOSH Professional how to manage electrical safety in a busy workplace, with lots of water around!

How to implement electrical safe working procedures, and how to ensure that electrical injury accidents are minimised. NB There are no minor electrical accidents!!

Who should attend?

Members and Colleagues of the North West Wales H&S Group; Members & Colleagues of the IOSH Food & Drink Group; Members & Colleagues of the IOSH North Wales Branch; Anyone with a Responsibility for Electrical Safety in the Workplace.

VENUE

The Main Lecture Theatre is on the ground floor of Bangor University's School of Electronic Engineering Building (*this building may also be referred to as 'Informatics'*), which is located on Dean Street in Bangor LL57 1UT. The Lecture room is accessible via the main entrance and then follow the directional signs on display.

The University is signposted from the A5/55 Expressway. A location map for the School of Electronic Engineering building can be found at: <http://www.bangor.ac.uk/tour/LocationMap.pdf> position 74.

CAR PARKING

Please be aware that you can access the University Dean Street Car Park by entering the following PIN number: **9925** at the Barrier. This **PIN number** will only work for this Car Park and only on the afternoon of the Talk and should not be disclosed / displayed to other people.

Coming from Garth Road onto Dean Street, the entrance to the Car park is the second access road (unmarked – enters into University premises) on the left opposite the new NCP car park.

Please ensure you park within designated car parking spaces and display your Permit. The Car Parking Permit is printed at the bottom of this Flyer and must be displayed in the front windscreen. The University operates strict *Parking Regulations* and your vehicle may be towed-away immediately if blocking access or pedestrian routes or otherwise causing a health and safety hazard. Vehicles parked without a valid Permit may be immobilized and a cost is associated with its release.

FURTHER INFORMATION

For further Information on the Group please contact 'Health and Safety Services', Bangor University, Penbre, College Road, Bangor, LL572DG Tel 01248 383847, email: l.fowlie@bangor.ac.uk or gareth.w.jones@bangor.ac.uk or visit the Website at <http://hsgroup.bangor.ac.uk>
