

Wednesday 31st March 2010

2.00 – 4.00pm

Main Lecture Theatre, Ground Floor, School of Electronic Engineering, Dean Street, Bangor

**'What everybody will want to know about asbestos'
HSG264 Asbestos: The Survey Guide**

Peter Robinson

Director of Bradley Environmental Consultants Limited

THE SPEAKER

Peter is a Director of Bradley Environmental Consultants Limited, one of the country's leading asbestos consultancies. Established in 1991 and providing Asbestos Surveys, Asbestos Testing and Asbestos Management across the UK.

Peter is currently an elected member and Chair of United Kingdom Asbestos Training Association (UKATA)

He has over 25 years experience in the asbestos industry including:

- ✓ asbestos removal and associated equipment and materials supply
- ✓ consultation including exposure measurements
- ✓ asbestos legislation including expert and legal work in civil and criminal courts
- ✓ training on courses for the Asbestos Removal Contractors Association
- ✓ as an examiner for the Royal Society for Promotion of Health qualification in Asbestos Inspection Procedure.

THE TALK

Unmanaged asbestos is a 'killer' that has been identified as the single greatest cause of work-related deaths in the UK.

The Talk content is aimed at people carrying out asbestos surveys and people with specific responsibilities for managing asbestos in non-domestic premises under the Control of Asbestos Regulations 2006.

Providing an overview of the contents of the 2010 first edition publication of HSG264 Asbestos: The Survey Guide. A new heavily illustrated publication that replaces and expands on MDHS100, surveying, sampling and assessment of asbestos-containing materials.

To download a free copy of the guide visit:
www.hse.gov.uk/pubns/books/hsg264.htm

The Talk covers competence, quality assurance and surveys; including: survey planning, carrying out surveys, the survey report and the duty holder's use of the survey information.

The Talk will be of interest to anyone concerned with, or wishing to have a better understanding of, the management and control of asbestos.

Refreshments will be provided from 2.00pm.
Talk starts at 2.15pm.

GRŴP IECHYD A DIOGELWCH GOGLEDD-ORLLEWIN CYMRU NORTH WEST WALES HEALTH & SAFETY GROUP

VENUE

The Main Lecture Theatre is on the ground floor of Bangor University's School of Electronic Engineering Building (*this building may also be referred to as 'Informatics'*), which is located on Dean Street in Bangor. The Lecture room is accessible via the main entrance and then follow the directional signs on display.

The University is signposted from the A5/55 Expressway. A location map for the School of Electronic Engineering building can be found at: <http://www.eng.bangor.ac.uk/LocationMap.pdf> position 74.

CAR PARKING

Please be aware that you can access the University Dean Street Car Park by entering the following PIN number: **4994** at the Barrier. This **PIN number** will only work for this Car Park and only on the afternoon of the Talk and should not be disclosed / displayed to other people.

Coming from Garth Road onto Dean Street, the entrance to the Car park is the second access road (unmarked – enters into University premises) on the left opposite the new NCP car park.

Please ensure you park within designated car parking spaces and display your Permit. The Car Parking Permit is printed at the bottom of this Flyer and must be displayed in the front windscreen. The University operates strict *Parking Regulations* and your vehicle may be towed-away immediately if blocking access or pedestrian routes or otherwise causing a health and safety hazard. Vehicles parked without a valid Permit may be immobilized and a cost is associated with its release.

FURTHER INFORMATION

For further Information on the Group please contact 'Health and Safety Services', Bangor University, Penbre, College Road, Bangor, LL572DG Tel 01248 383847, email: l.fowlie@bangor.ac.uk or gareth.w.jones@bangor.ac.uk or visit the Website at <http://hsgroup.bangor.ac.uk>
