## 'Giants of Leadership – The Nature of Safety'

**Lisa Fowlie BSc Msc CFIOSH**

Health and Safety Adviser, Prifysgol Bangor University

### THE SPEAKER

Lisa is the Health and Safety Adviser for Bangor University, she has a keen interest in developing, promoting and delivering 'effective, interesting and engaging' health and safety training from Board Level to Basics.

Lisa is a Past President and currently a member of the Board of Trustees and the Risk Management and Audit Committee for the Institution of Occupational Safety and Health (IOSH).

### THE TALK / WORKSHOP

Taking responsibility the need for strong leadership is part of the current HSE strategy:

*"The Health and Safety of Great Britain \ \ Be part of the solution"*

Leadership is the secret ingredient of every great safety culture and 'Giants of Leadership' is a natural leadership philosophy designed to inspire and create world class leadership through wellbeing.

Not just the kind of leadership that comes from above, but the kind that grows at all levels of your organisation - if you let it. Because great leaders understand that if you look after those you live and work with they will look after you and help you achieve your goals.

This is a short, inspiring training programme about the world's most natural leaders, elephant matriarchs, and how they drive the

safety and success of the family, the herd and the species.

Unlike traditional training programmes on safety culture, Giants of Leadership takes the viewer away from the everyday context of the workplace and invites them to think about leadership in new ways.

Spectacular footage of elephants in the wild helps drive home a set of clear, compelling messages about the essential components of leadership.

Presented in an interactive workshop manner the topics covered include:

- Natural Leadership Through Wellbeing
- Pragmatic Empathy
- Sharing A Vision
- Respect
- Consistency
- Leadership By Example
- Communication
- Evolution

*If you enjoyed "Team working the Meerkat Way", you'll surely love the "Giants of Leadership"*

### **VENUE**

The Main Lecture Theatre is on the ground floor of Bangor University's School of Electronic Engineering Building (*this building may also be referred to as 'Informatics'*), which is located on Dean Street in Bangor LL57 1UT. The Lecture room is accessible via the main entrance and then follow the directional signs on display.

The University is signposted from the A5/55 Expressway. A location map for the School of Electronic Engineering building can be found at: <http://www.eng.bangor.ac.uk/LocationMap.pdf> position 74.

### **CAR PARKING**

Please be aware that you can access the University Dean Street Car Park by entering the following PIN number: **3180** at the Barrier. This **PIN number** will only work for this Car Park and only on the afternoon of the Talk and should not be disclosed / displayed to other people.

Coming from Garth Road onto Dean Street, the entrance to the Car park is the second access road (unmarked – enters into University premises) on the left opposite the new NCP car park.

Please ensure you park within designated car parking spaces and display your Permit. The Car Parking Permit is printed at the bottom of this Flyer and must be displayed in the front windscreen. The University operates strict *Parking Regulations* and your vehicle may be towed-away immediately if blocking access or pedestrian routes or otherwise causing a health and safety hazard. Vehicles parked without a valid Permit may be immobilized and a cost is associated with its release.
